## 2. Interview

Applicants are required to take online interview by Zoom instead of taking it at Shinshu University.

### (1) Date and Time

Fri, January 10th, 2025 (after 1:00 P.M.)

The interview time and details are to be notified to each applicant by email.

### (2) Interview Room

Each examinee is required to prepare a room that satisfies all of the below requirements (Not the public places, internet cafe etc.).

- ① A quiet private room that people other than the examinee won't come in.
- ② A good network environment throughout the interview.
- ③ The examinee must be able to contact by phone or email with the examiner in case of emergency.

### (3) Preparation in Advance

- ① Each examinee has responsibility to prepare the capable devices for the use of online interview and good network environment.
- ② The examinee will be interviewed using Zoom. Prepare the device that is capable for video call (e.g. PC with camera, tablet or smartphone) and install the latest Zoom in advance (<https://zoom.us/download>) .
- ③ The connection test will be done under the same environment prior to the interview. Please stand by 5 minutes before the specified date and time after you have set the necessary devices. The test will take 10 minutes.
- ④ Things you need during the interview
  - Admission Ticket
  - Devices for the online interview (PC for video call, phone for emergency contact etc.)

### (4) Notes on the interview date

- ① Click the URL and enter the Zoom 5 minutes prior to the interview for the final connection test.
- ② If you are late for the interview, the examiners will wait for 20 minutes only. No further delays are allowed.
- ③ The schedule could be changed according to the other examinees' interview.
- ④ No visitor in the room during the interview.
- ⑤ The examiners will check that there is no injustice and visitor in the room by the web camera.
- ⑥ Recording the interview is prohibited. It is regarded as an injustice.

- ⑦ Prepare some device like mobile phone other than PC or tablet you use for the interview so that we can communicate in case of emergency like network trouble.

※You will receive further information of the interview and connection test at the email address registered upon your application. Please contact us at the following email address if you don't get the email from us 1 week before the interview.
